## HERE'S A LITTLE STORY THAT MUST BE TOLD...

Our thin and crispy pizza is hand stretched and stone baked to order. The dough takes 4 days to make using UK-grown wildfarmed flour, which tastes great and is planet-friendly. We make everything we can in-house or use amazing producers, mainly from Wales and the UK, for the best charcuterie and cheese we can find.

## WHY NO RULES YOU ASK?

Because there's nothing we won't do in the name of great pizza!
